Acknowledgement of Country

We acknowledge the Binjareb and Whadjuk, Nyoongar peoples, the first owners of this land. We show our respect for all Aboriginal peoples and Elders past and present

About this book

We are the City of Rockingham

This is our 2022-2026

Disability Access and Inclusion Plan

A **plan** is a list of ideas to make life better

Access means that everyone can use it

Inclusion means that no one is left out

This plan will help to make sure that everyone can be part of the Rockingham community

Our goals

This plan has 8 **goals**

Goals are the things we want to make happen

We listened to

- people with disability
- families and carers
- our staff
- and
- other people and services

Their ideas helped us to write this plan

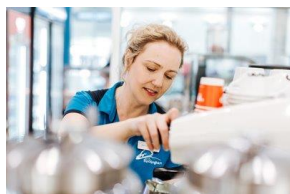

Goal 1

Services and events

We want everyone to be able to

- use our services
- and
- come to our events

We will

- make new event plans that everyone can use
- have more events for young people with disability
- help people to take their bins out
- and
- make our beaches easier to use

At our main events - we will have more

- AUSLAN interpreters
- hearing loops
- touch tours
- and
- spaces to relax in

Goal 2

Buildings and spaces

We want everyone to be able to

- use our buildings

and

- public spaces

We will

- build a new Changing Places toilet near Rockingham Foreshore
- make parking easier to use
- look at our buildings and spaces and make them easier to use

Places like

- The Aqua Jetty

and

- Baldivis Indoor Recreation Centre

Goal 3

Information

We will make it easier for people to understand our information

Things like

- our website
- and
- videos

We will write information in different ways - like this Easy English plan

We will use our website to tell people about access and inclusion

We will include information to make it easier for people to

- use our buildings and spaces
- services
- and
- come to our events

Goal 4

Customer service

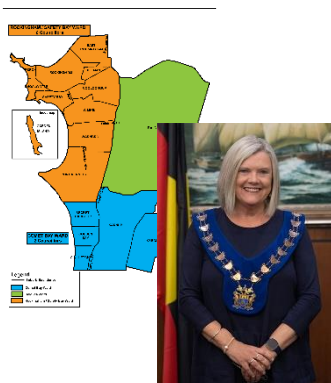

We want everyone to have a good service at the City of Rockingham

We want people to understand more about disability

We will train

- our staff
- volunteers
- **Mayor and Councillors**

The **Mayor and Councillors** are chosen by people in the community

They listen to the community and help to make Rockingham a better place to live in

Goal 5

Making a complaint

A **complaint** is a way to tell us what you think if you are not happy

We will look at the ways we deal with complaints to see if we can do better

We will make sure people can use our complaints service

Goal 6

Having your say

We want everyone to be able to have their say about the City of Rockingham

We will listen to people with disability when we make changes to our plans and services

This is called **co-design**

We will make sure people can be part of our meetings

The City's Disability Access and Inclusion Plan **Committee** will meet every 2 months

A **Committee** is a type of group

They tell us how we can make things better for people with disability in Rockingham

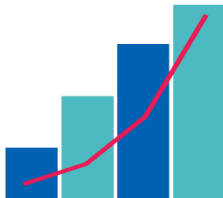

Members of the Committee include people with disability

They helped us to write this plan

Goal 7

Working with us

We want more people with disability to have jobs with us

We will

- make it easier for people with disability to apply for jobs
- consider making some jobs just for people with disability

We will talk to

- Disability Employment Services
- and
- other services who can help us to make more jobs for people with disability

We will train our staff in disability employment **rights**

Rights are about the things you should be able to 'get' and 'do'

People with disability have a right to have a job

Goal 8

Advocacy

Advocacy is about speaking up about things that are important

We will join others to speak up about disability rights and share information

We will

- train people in Rockingham to speak up about disability rights
- speak up about housing for people with disability
- celebrate events like the International Day of People with Disability
- help clubs and groups to include more people with disability
- provide information on supports and the NDIS
- support volunteers with disability and
- make sure other people who work with us know about access and inclusion

This plan is from 2022-2026

We will check in often to see how well we are doing

More information
