# Djeran Reads

## **Shock Waves by Fleur McDonald**

Detective Dave Burrows returns in a page-turning novel of rural suspense from *Voice of the Outback*, Fleur McDonald. Detective Dave Burrows has longed for the top job in the Stock Squad but never thought he'd be acting in that role while his partner and best mate, Detective Bob Holden, is treated for melanoma. Bob is keen to get back on the road and Dave can't wait to go bush either, expecting the trip will be much the same as usual. But the trip doesn't play out that way.

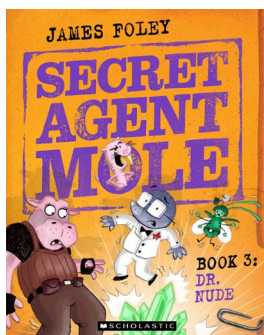

## **Rebel Rising by Rebel Wilson**

From the scene-stealing star of *Pitch Perfect* and *Bridesmaids* comes a refreshingly candid, hilarious, and inspiring book about her unconventional journey to Hollywood success and loving herself. For decades, Rebel Wilson had single-mindedly focused on her career, making a name for herself through her iconic roles in *Pitch Perfect*, *Bridesmaids*, and *Isn't It Romantic*. Now she's ready to chronicle the emotional and physical lessons she learned, as well as her most embarrassing experiences.

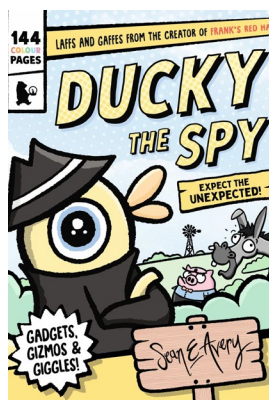

# Djeran Reads

## **Dr. Nude by James Foley**

The third instalment in Perth author James Foley's successful *Secret Agent Mole* series. Dr Nude's anti-gravity Doomsday Device is ready to blow. Max and the team have to stop it, or the entire Earth could be split in two... and then they'll never get their secret agent licences! But first, our heroes need to sneak into a fancy-dress party.

## **Ducky the Spy by Sean E. Avery**

From the internationally renowned creator of *Frank's Red Hat* comes a brand new terrific tale, fresh from the funny, and funky, farm. Laugh-out-loud who-dunnit ridiculousness in this new graphic novel from Sean E Avery. A thief on the farm. A goat kidnapped by a gang of cats. A giant chicken. Ducky the Spy and Donny "The Distraction" Donkey are on the case.

Have you read a good book lately and would like to recommend it to others? Send your review through to us at any of the libraries and we'll do our best to include it.

# GIRLS IN STEM

**Tuesdays 23 April to 11 June | 3.45pm – 4.45pm**

**Rockingham Library**

**Girls ages 7 – 11**

Presented by Little Genius, this series of workshops is designed to inspire primary school aged girls in Rockingham to get motivated by science, technology, engineering and maths.

This term's theme is all about Paleontology. Learn about the different types of fossils, how they are formed, what they can tell us about dinosaurs and much more.

Attendance is free, but participants must be available to attend all sessions over the eight weeks. This program will be repeated across all four libraries during the year. To book, visit **[rockinghamlibraries.com.au](http://rockinghamlibraries.com.au)**.

Registrations open Tuesday 26 March.
