## General junk too good to be landfilled?

Metal items and fridges are recycled if they are separated from the general waste on the verge. All of the other general waste will be landfilled. If an item you have placed out is too good to be wasted, consider donating it to charity.

For information on where and how to donate visit [www.giv.org.au](http://www.giv.org.au)

## Important

Only two cubic metres of waste will be collected from your residence for the general waste verge collection, and up to three cubic metres for each of the green waste verge collections. Waste left behind after the collection has passed is your responsibility and must be removed from your verge within seven days or \$200 to \$500 LITTER INFRINGEMENT FINES may be issued.

## Non-conforming Waste

Residents can take their non-conforming waste to the Millar Road Landfill Facility, open 7 days from 7.30am to 4pm (closed Christmas Day and Good Friday). Fees payable by tip pass, cash or EFTPOS. Metals and recyclable items can be dropped off for free.

### PLEASE DO

- ✔ Place your waste neatly on your own verge no more than **TWO DAYS** prior to the scheduled start date for your area
- ✔ Place on your own verge by Monday 6am on your scheduled start date for your area as the contractor will only check the verge once
- ✔ Allow 7 working days for collection
- ✔ Keep on checking your pile as it is your responsibility throughout the collection.

### PLEASE DON'T

- ✘ Obstruct the footpath, your normal bin service or the line of sight of pedestrians, cyclists and cars
- ✘ Place your waste inside your property line
- ✘ Place your waste on any other verges as it **WILL NOT** be collected from vacant land and public reserves
- ✘ Tie your green waste in bundles
- ✘ Place out **MORE THAN THE ALLOWED VOLUME.**

As verge collections are picked up by mechanical means, please **DO NOT** place your waste next to trees, power poles, fences, walls, street signs, sprinklers, letterboxes, fire hydrants or water meters as these may get damaged.
