

City of Rockingham - Safety Bay Ward - Councillor

DAVIES, Sally

As a local teacher, small business owner, volunteer and mother, I am experienced, passionate and ready to advocate for progress on behalf of you and your community in the council.

Our family has lived in the Rockingham area for over 25 years and we love it. It's been a fantastic place to raise our children and build our lives.

My career has focussed on teaching, developing and helping others and I'm passionate about taking the next step in serving and caring for our local community. What inspires me is a goal driven approach and I'm determined to get things done.

Rockingham is developing, and it's important to remember that we need a council that listens to and supports all of its rate-payers.
