

## City of Rockingham - Rockingham Ward - Councillor

### PETCHELL, Ross

A resident and ratepayer and as a local small business owner and operator, I interact with the community on a daily basis which has enabled me to experience firsthand the issues facing us as residents of the City of Rockingham.

I am passionate about our community and am committed being your voice for local issues.

My priorities for our local area include: community safety / crime reduction; protection and responsible management of our bushland and coastlines; support for local businesses and improvements to council services such as youth, disability and aged care.

If elected I will work tirelessly to represent the citizens of the Rockingham Ward to the best of my ability and will be a strong advocate for the community.

I humbly ask for your support.
