

City of Rockingham - Rockingham Ward - Councillor

RICETTI, Braydon

Youth is underrepresented in council but as the future of the community, this needs to change!

Braydon Ricetti is committed to saving Point Peron, keeping our community safe and getting jobs done right the first time! I will always fight for what is right and what is fair for the community as well as never being afraid to speak my mind and stand for what I believe in.

There is never just one side and one angle to a story and it will be my mission to investigate every side and angle of every story and issue to ensure the best result for our community in the present and in the future.
