

**FREE MENTAL HEALTH
WEEK TRAINING EVENT!!**

Family Inclusive Practice

Supporting Clients and Families Living with Mental Illness

Rockingham

This workshop will support participants to work towards a system of care that meets the needs of children and parents living with mental illness. It takes a strengths based, trauma informed and family inclusive approach to develop support strategies that address the impact of mental illness on the whole family. The training will be delivered by Ruah's Perspectives Team.

Register for our next course today!
