

City of Rockingham - Safety Bay Ward - Councillor

MULLAN, Patricia

My Name is Trish Mullan, I moved to the City of Rockingham 8yrs ago and fell in love with the area. I have watched as many areas have grown and developed over those 8yrs. I have a grown family and I am committed to serving the residents of the Safety Bay Ward. I want to be your voice in council to ensure that your concerns are heard. I am passionate about the preservation of our wonderful coast line and parks, for everyone to enjoy for many years to come. I also want to encourage the council to employ local businesses and people for any of the upcoming projects. The safety and security of the residents and visitors to the area is paramount, I want to work hand in hand with you the residents and the authorities to find a solution to the ever increasing crime rate in the area.
