

City of Rockingham - Comet Bay Ward - Councillor

JONES, Mark

Married with 4 children. Lived in Port Kennedy for the past 11 years.

Organised the Warnbro Car Show for the past 5 years.

Involvement with Scouts, Girl Guides, Surf Life Saving, tee ball, netball and basketball.

15 years as a Town Planner in Local and State Government so I know the bureaucracy, however I have been frustrated and perplexed by some of the recent council decisions, including large rate rises and spending over \$9 million to buy land for sport ovals in Baldivis.

In my opinion, Rockingham has lagged behind Mandurah in terms of tourism and sustainable development.

Why are the sand dunes being bulldozed in Golden Bay? Why has there been very little development in Port Kennedy? Our youth need more than skate parks!

I am passionate about developing partnerships to provide needed services and programs to the community.

Vote for Mark to see a better Rockingham for all.
