

## City of Rockingham - Baldivis Ward - Councillor

### **BLAKE, Sarah**

A Baldivis resident for 8 years with two young boys and a husband in the Navy, I know the pressures facing families and I think it's time our voices were heard.

As a small business owner, Chair of Baldivis Home Business Network, member of Youth on Fire, MTCC P&F, Rockingham City Safe and Global Friendship Committee's, I understand the challenges we face.

With 20 years experience mediating conflicts, I know how to create connected and safe communities. I have the skills to support social and economic development by uniting people, listening and taking on those hard conversations.

I bring a new perspective, professional skills and a calm, strong voice for Baldivis. I will work collaboratively and respectfully to bring our council and community together for our benefit.

Vote for safe and resilient communities, vote for Defence and FIFO families, vote for Baldivis small business – Vote Sarah Blake.
