

City of Rockingham - Safety Bay Ward - Councillor

LILEY, Leigh

Rockingham has been my home for 50 years. I grew up here, went to school here and have been employed here – so I REALLY care about this community. I am deeply aware of the social and economic challenges that impact our families, offering 100% dedication, experience and compassion to the role of Safety Bay Ward Councillor. As Chair of Corporate and Community Development and as your representative I've strongly pursued: Reduced rates; Infrastructure projects - for all ages/abilities; Support for homeless and struggling families; Foreshore equipment upgrades; Free community and cultural events; Advancing 'Master planning' Safety Bay / Waikiki foreshore; Koorana Reserve Master Plan. I'm opposed to the placement of noxious industries detrimental to health and excessive clearing of bushland. I'm wholeheartedly committed to this community and need your vote to make this a better place to live. Leigh Liley, 6 Pembroke Court, Warnbro. Talk to me.
