

SmartWatch Snapshot

Our vehicle based **SmartWatch service** was busy during April - June 2025 and is helping to create safer communities.

Recent insights include:

Officers responded to **441 requests** for assistance to provide high visibility deterrence while communicating with impacted members of the community.

Over **8,436 hot spot patrols** were conducted, deterring antisocial behaviour in public spaces.

4,431 fire watch patrols took place, ensuring eyes on the streets in our bushfire prone areas to identify early ignition and prevent arson activity.

Officers conducted intermittent surveillance on **125 homes**, offering piece of mind for absent residents.

To learn more or book a patrol, visit rockingham.wa.gov.au/smartwatch or call **1300 657 123**.
