Rockingham Connect
Community Transport

A City of Rockingham Community Initiative

Community Transport

Rockingham Connect is the City of Rockingham's community transport service which provides either door to door transport or centralised pickups, as necessary.

A small fee of \$1 per trip applies, this is paid by purchasing a 10 trip card for \$10.

Transport is available to people living in all suburbs of the City of Rockingham who meet the eligibility criteria which include:

- No access to a private vehicle
- Unable to access public transport
- Health care card holder or low income.

This service is wheelchair accessible.

The service provides transport assistance from home to a range of community venues including:

Shopping Centres

Community Events

Libraries

Social Outings

The Autumn Centre

Hardware / Garden suppliers

Spud Shed

Community Centres

Just ring 9528 8562 to get on board!

Rockingham Connect schedules are continuously reviewed and new activities added as schedules allow.

The City of Rockingham would like to acknowledge the generous volunteers of Rockingham Connect.
