Education Activity

3 - 7 years old

1. Pick two sculptures
2. Write five (5) words to describe each sculpture below (is it hairy, sharp, scary, see-through, stripy, colourful, shiny, etc?)

Don't forget to use your senses to investigate (smell, sight, sound and touch if you have permission).

Sculpture number: _____

Sculpture number: _____

Title: _____

Title: _____

Artist's name: _____

Artist's name: _____

Measure the distance between your sculptures with footsteps.

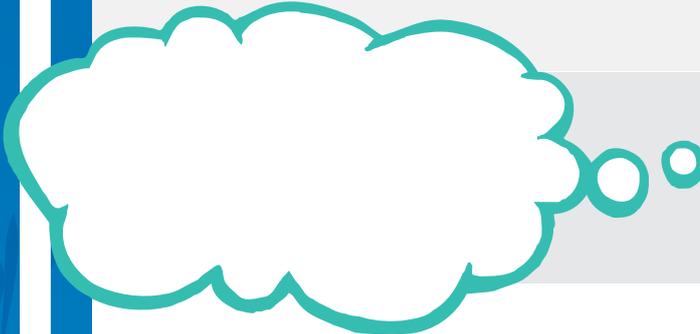

Footsteps

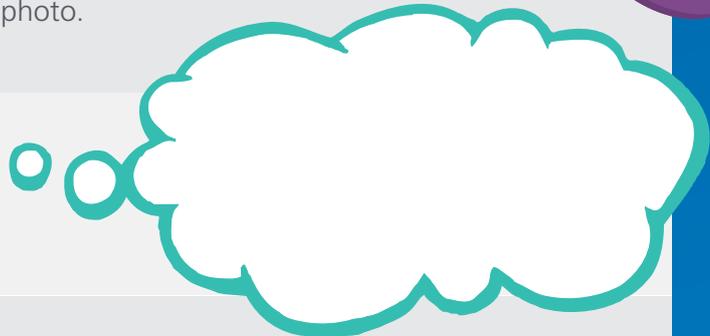

Ask someone to take a photo of you imitating one of the sculptures using your whole body.

Draw a picture of the sculpture in the sand and use sticks, shells and seaweed for detail. Take a photo.

Ask someone older than you what they think of the sculpture.

Ask someone younger than you what they think of the sculpture.

Make a list of the materials used
(Hint! check the catalogue)

Are these materials recyclable,
or will they have to be thrown away?

Now find a title of a sculpture that has the same letters as your name.

Pick up 2 pieces of rubbish and put them in the bin.
Your planet will thank you later.
