Housebound Library Services

Residents of the City of Rockingham who are physically unable to visit their local library (either temporarily or permanently) may apply to have library items delivered to their homes. This service is also available to live-in carers and also when a partner, relative or friend who would normally drive to the library is away on holiday or unavailable.

The Housebound Reader's Service makes deliveries to each reader once a month. Members are permitted to borrow up to 20 items at one time.

The service provides a wide range of books in normal print and large print, audio books, magazines and DVDs.

The library service also has e-books and e-audiobooks that can be downloaded to a device from the City of Rockingham Library Service anytime of the day and night.

The service will not be able to deliver to nursing homes or similar facilities.

Please complete the application form and return to your nearest library.

Application for Service

As I am unable to visit my local library I would like to have a regular supply of library items delivered to my home each month.
