Hot and need help getting to the library?

Libraries aren't just cool during a heatwave

If required by the community, the City will activate a special bus service to run local residents from their home to the Mary Davies Library.

The service is subject to availability and will be activated when a heatwave is declared between 1 January and 30 March 2026.

This pilot is a new initiative to ensure residents remain safe and well in periods of high heat. Concession required. Conditions apply.

For heatwave advice, visit rockingham.wa.gov.au/heatwave

Heatwave warnings are issued by EmergencyWA. Download the EmergencyWA App to stay informed.

ARMCHAIR Travel

From the comfort of an armchair, travel with us around the world through the use of Virtual Reality thanks to SiVR.

Each session will start with a 20 minute introduction video that each new participant must watch once, followed by a guided tour of a selected location from around the world.

A new location will be selected every month and each session will finish with a cup of tea related to the chosen location.

So stop dreaming, and start traveling from the comfort of your local library.
