This is another great walk for mums or dads who have dropped their kids off at school in the morning. Walking down Gibb Road turning right at Willmott Drive, take care when crossing the intersection at Grange Drive and walk past the skate park. Turn right at Cambridge Crescent and walk past the lovely Alf Powell Park. At Grange Drive turn left and then right onto Gascoyne Way. Continue past the Hourglass Reserve and around to Murchison Road. This will take you back to the school on Gibb Road.
