

Information Sheet: Community Engagement Process

The City of Rockingham is excited to be working alongside the community (and a range of other stakeholders) on the preparation of the Karnup District Structure Plan (KDSP).

Through this community engagement process a vision will be developed for Karnup that reflects the aspirations and values of its residents.

This is your opportunity to influence Karnup's future development. All feedback gathered as part of this community engagement process will inform the preparation of the KDSP.

The objectives of the community engagement process will inform the development of the KDSP by:

- engaging as many residents as possible, from a range of demographic and interest groups, reflecting the diverse views of the community
- informing and educating the community about strategic planning and visioning
- continuing to build a mutually respectful relationship between the City of Rockingham and the community
- developing a future vision for Karnup that reflects the character and spirit of the future suburb
- providing a mechanism to better inform the alignment of the City of Rockingham's strategies and policies to reflect the vision.

How will I be able to get involved and share my ideas?

There are many opportunities for you to share your ideas, but the best place to start is registering for updates via Rock Port, the City's secure online community portal.

1. Sign in or register for Rock Port, the City's online secure community portal at cityrockport.com.au
2. Select KDSP as an interest via the My Profile page.

Keep an eye out for:

- **Social media updates:** Follow us on Facebook at [City of Rockingham – Local Government](https://www.facebook.com/CityofRockingham) for the latest news and developments.
- **Website updates and frequently asked questions:** Visit our website for detailed updates and responses to Frequently Asked Questions (FAQs) - rockingham.wa.gov.au/kdsp

Engagement opportunities will include:

- **Community workshops:** Directly interact with City Planners and Project Team experts, and contribute to the planning process in person.
- **Feedback:** Submit your questions and comments through the project's webpage at rockingham.wa.gov.au/kdsp
- **Formal commenting:** Participate in the advertising process to submit formal comments.
