

City of Rockingham Complaint Register – Register of Minor Breaches

From 1 January 2026, complaints are managed under the new Local Government Inspector system. However, the publication requirements for earlier findings still apply during the transitional period. Under Regulation 25(3) of the Local Government (Local Government Inspector) Regulations 2025, local governments must continue to publish findings made before 1 January 2026 under the former law (the Local Government Act 1995, ss.5.110 and 5.121, now repealed).

This register therefore includes all pre-2026 “minor breach” findings and the actions ordered.
