# A Word from the Mayor

## Welcome to the winter edition of the City Chronicle.

After a gorgeous autumn, winter is here and that means – amazingly - that we are about half way through the year already. And what a busy first half of the year it's been!

The Koorana Reserve Upgrade is complete, so we'll be watching soccer matches there soon. The Baldivis Sports Complex is moving steadily towards completion and we're looking forward to the cricket season getting underway at this brand new facility later in the year.

Meanwhile, the refurbishment of the Rockingham Arts Centre is almost finished, the Mersey Point seawall, and Point Peron spur groyne have both been completed, and if you've got a four legged friend in your life, you'll both enjoy checking out our newest enclosed dog park at St Claire Reserve in Port Kennedy.

It's been a year already since the opening of the Rockingham Youth Centre on MacKinnon Street in Rockingham. With school holidays coming up next month this is a good time to visit the City's website and check out the range of fun programs on offer at the Centre.

As winter sets in there's always the chance that we will get some pretty severe storms. So please have a look at our tips on page 13 to help prepare your home for winter.

Although we said goodbye to QR codes and mandatory mask wearing some time ago, COVID is still out there. So it's really important to remember the simple personal hygiene rules that we have been following so strictly for the past two and half years, and to maintain physical distancing wherever possible.

I hope you're staying safe and well. Please enjoy this edition of the Chronicle.

City of Rockingham Mayor,  
Deb Hamblin

# Major Projects

## Baldivis Sports Complex

Work on the major elements of the Baldivis Sports Complex is rapidly coming to an end, with the main pavilion and change rooms scheduled for completion in June.

Works completed in the first half of 2022 include:

- Fit out and finishes of main pavilion and change room building including all toilets, sinks, flooring, lighting, and change room benches
- Installation of new floodlighting
- Completion of the northern car park including garden beds
- Landscaping throughout the northern half of the site including foot paths, garden beds and planters, and small nature playground
- Installation of security and CCTV.

Works on the Indoor Sports Complex completed in the first half of 2022 include:

- Installation of all structural steel, roof cover, low level roofing and internal ceiling works
- Installation of all building cladding, windows, doors, etc.
- Installation of internal walls
- Commencement of the installation of the sports court flooring.

This exciting new community sporting facility will be ready for the start of the cricket season in late spring.

## Koorana Reserve Upgrade

At the time of writing there were only a few items left on the to-do list for the Koorana Reserve upgrade, so by mid-June it should be virtually complete. Work completed as part of the project includes:

- Fit out and finishes of clubrooms including all toilets, sinks, flooring, lighting, change room benches
- Irrigation and turf replacement on the existing playing field area
- Installation of new floodlighting

- Completion of the car parking including garden beds
- Landscaping throughout the site
- Installation of facility security and CCTV.

Once the turf has been established, the upgraded facility and reserve will be ready for the Port Kennedy soccer club to kick off the rest of their season by around the middle of winter, followed by the Hillman Hornets Cricket Club's summer season.

# Rockingham Arts Centre

The Rockingham Arts Centre is scheduled to reopen in early July following a \$300,000 refurbishment to improve capacity, flexibility, visual appeal and security.

The Gallery now has a flexible layout with more display space, new art hanging systems, and upgraded lighting. The Multipurpose Room is now brighter and well equipped for regular paint and clay activities. The interior has been reconfigured to increase the size of the storeroom and separate it from the hireable Studio space. New CCTV and security has been installed, along with improved wayfinding thanks to additional signs around the Arts Centre and Gary Holland Community Centre.

## Projects completed or nearing completion

Mersey Point Granite Seawall Construction Stage One

Point Peron Spur Groyne and Breakwater Construction

Dredging at Bent Street Boat Ramp

## Port Kennedy Dog Park

Have you and your pooch checked out the City's newest off-leash dog exercise area in Port Kennedy yet? The park at St Clair Reserve, on the corner of Chelmsford Avenue and Warnbro Sound Avenue, has a separate small dog area and an all-dog area with plenty of exciting play spaces and opportunities for dogs and their owners to socialise. There are obstacles and play elements for the dogs to explore, as well as large grassed spaces, seating, weather shelters, accessible drink fountains and dog drinking bowls, and an accessible footpath. The car park at St Clair Reserve has also been expanded and includes accessible parking.

The new dog park is the City's fourth 'pawpose-built' dog exercise area. The others are at Bayview Reserve (Rockingham), Barri Barri Park (Baldivis), and Seahaven Reserve (Waikiki). Visit [rockingham.wa.gov.au/petrec](http://rockingham.wa.gov.au/petrec) for more information.

# Around Our Community

## Community Citizen of the Year Awards: Nominate Now

Do you know someone who has made an outstanding contribution to our community?

City of Rockingham residents are encouraged to nominate a group or individual that has made our community a better place, as part of the Australia Day Council WA Community Citizen of the Year Awards 2022.

There are four Award categories:

- Community Citizen of the Year
- Young Community Citizen of the Year (under 25 years of age)
- Senior Community Citizen of the Year (over 65 years of age)
- Active Citizenship - Group or Event.

The Awards recognise organisations and people who have made a notable contribution during the current year and/or those who have given outstanding service over a number of years. They will be presented on 26 January 2023 at the City's Australia Day Citizenship Ceremony.

Nominations close on 31 October 2021.

Visit [citizenshipawards.com.au/nominate](https://citizenshipawards.com.au/nominate)

## Seniors and Carers Expo

The City's Seniors and Carers Expo is the ideal promotional opportunity for organisations and community groups offering fun, support, or services to seniors and carers.

Stallholder and activity opportunities are now open for the 2022 Seniors and Carers Expo, being held on Friday 7 October at Mike Barnett Sports Complex, over two sessions from 10am - 12pm and 1pm - 3pm.

Stallholder registrations close Friday 24 June, so don't delay. For more information about other ways to be involved or to download an application form visit [rockingham.wa.gov.au/seniorscarersepo](https://rockingham.wa.gov.au/seniorscarersepo)

**Port Kennedy Masters Soccer Club**  
Team of the Year 2021

## Sports Star Awards

This year, the City of Rockingham's Sports Star Awards will celebrate 25 years of recognising and rewarding the achievements of local sporting individuals, clubs and teams participating in international, national, state, regional, and local competition levels.

City of Rockingham sporting clubs, associations, committees, schools, and individuals are invited to recognise local sports people or teams by nominating them in one (or more) of the Awards categories:

- Club of the Year
- Team of the Year
- Senior Sports Star of the Year
- Junior Sports Star of the Year
- Sports Person of the Year with Disability
- Volunteer of the Year
- John Brown Lifetime Achievement Memorial Award

Nominations close Friday 29 July. For more information and to download the nomination package, visit [rockingham.wa.gov.au/sportsstar](http://rockingham.wa.gov.au/sportsstar)

## Golden Bay Pop Up Library

The Golden Bay Pop Up Library takes place on the third Thursday of each month at the Golden Bay Coastal Community Centre on Tangadee Road in Golden Bay.

A small lending library is available with a range of resources available for everyone. Children's Storytime takes place each month at 10.30am and includes craft activities, stories and rhymes. Library staff are on-hand to provide assistance with customer enquiries and can assist with printing, job searching and accessing library resources.

The library is open from 10am till 4pm, so come and visit. Library membership is free and can be done from the Pop Up Library. For more information, please visit [rockinghamlibraries.com.au](http://rockinghamlibraries.com.au)

## Strategic Community Plan

The City will soon be commencing a major review of the current Strategic Community Plan (2019-2029). We hope to get as many people as possible involved in shaping the plan through a range of community engagement sessions. We will be advertising these sessions soon, so please keep an eye out for one that suits you. Your input is essential to help shape the future of our City.

## Youth Work Support for Young People

Rockingham Youth Centre (RYC) has Youth Workers available to provide one on one intensive support for young people aged 12 - 24 years.

This is a free service for young people who can access the centre in Rockingham.

### Key things to note:

- We are a consent-based service. Young people must be aware of the referral and their participation is voluntary.

- We provide information, support, referrals and advocacy for young people.
- We are not a clinical service. Youth Workers cannot provide psychotherapy however may refer to appropriate services.
- We follow the Youth Work Code of Ethics and the young person is our primary client.

For more information please visit [rockingham.wa.gov.au/youth](http://rockingham.wa.gov.au/youth)

## RYC Celebrates One Year Anniversary

Time flies when you're having fun - Can you believe the Rockingham Youth Centre (RYC) has already been open for a year?

If you're aged 12 - 24 and yet to check out the RYC, then our friendly team is looking forward to welcoming you. Whether it's helping you improve your ability to land a job, developing leadership skills, or receiving health and wellbeing support, the RYC has got you covered. Over the school holidays we'll have a range of fun programs available. In term three we'll even be extending our operating hours so that you can enjoy more time to hang out with the team.

To learn more about the RYC's first anniversary and the exciting programs on offer visit [rockingham.wa.gov.au/youth](http://rockingham.wa.gov.au/youth)

# Aqua Jetty

## Living Well

If you are over 50 and looking for a fun and social way to keep fit, our LiveWell membership is perfect for you. LiveWell membership is exclusively for over 50's and anyone with a disability. Membership includes:

- Health club access from Monday - Friday until 5pm, and on weekends from 7am - 7pm.
- A personalised program based on individual needs with reassessments every six to eight weeks.
- Access to LiveWell group fitness at Aqua Jetty.
- Access to five Strength for Life classes each week.
- Spa and hydrotherapy pool.
- Indoor heated leisure pool.
- 25 m x 10 lane heated indoor pool.
- 50 m x 10 lane heated outdoor pool.

LiveWell members also enjoy the bonus perks of fun social outings throughout the year. So far in 2022, our LiveWell members have enjoyed our first two events of the year. These events are a lot of fun and a great bonus that gives you more than just a gym membership. Join online today. For enquiries about our LiveWell membership, give our membership team a call on 9591 0888 or visit [rockingham.wa.gov.au/aquajettymemberships](http://rockingham.wa.gov.au/aquajettymemberships)

## Calling All Tweens

Trying to find a fun way for your 11 - 12 year old to stay fit and healthy? Aqua Jetty has you covered with our Tween membership specifically for 11 - 12 year olds.

Membership includes:

- ✓ Access to limited group fitness classes each week at Aqua Jetty (guardian attendance may be required dependent on class).
- ✓ Indoor heated leisure pool.
- ✓ 25 m x 10 lane indoor heated pool.
- ✓ 50 m x 10 lane outdoor heated pool.

For further information or to see how we can help you achieve your fitness goals, give our membership team a call on **9591 0888** or visit [rockingham.wa.gov.au/aquajettymemberships](http://rockingham.wa.gov.au/aquajettymemberships)

## Go Pink with Aqua Jetty this June

Dress up in your best pink attire and join Aqua Jetty in their quest to go pink all through June to raise much-needed funds for the National Breast Cancer Foundation.

Aqua Jetty will be running a number of events throughout June and we welcome everyone to come along and participate. For further details, head to our website [rockingham.wa.gov.au/aquajetty](http://rockingham.wa.gov.au/aquajetty) or keep an eye on our Facebook page.

# NAIDOC Week Storytime

Join a librarian in reading the Waakarl Dreamtime story and create your own Rainbow Serpent sand art.

## Rockingham Library

Thursday 7 July | 10am - 10.45am

Ages 2 - 5 | Free event  
Bookings not required

## Register for eRates

Go paperless and register for eRates to receive your annual and instalment rate notices via email. Simply complete the online form at [rockingham.wa.gov.au/erates](http://rockingham.wa.gov.au/erates) to register and let us do the rest.

## Be School Ready

In partnership with the Child and Parent Centre - East Waikiki, we are pleased to present the 2022 Be School Ready campaign. Preparing your child to start school in 2023 can begin now as enrolments for kindergarten close on 22 July 2022. The campaign aims to support families in preparing their children for a positive transition into kindergarten in 2023. Further information and resources are available on the City's website.

## Rock Port

Have you registered with Rock Port yet? It's the City's online portal where you can get lots of your City-related admin done. Sign up to Rock Port ([cityrockport.com.au](http://cityrockport.com.au)) to submit online requests, make online payments, lodge your building and planning applications, and use other online services including checking your rates balance and subscribing to updates on items open for public consultation. And the beauty is you can do this anywhere, anytime.

# Environment

## Greening Rockingham

The City's Parks Services team has a busy planting schedule this winter with about 4,200 trees to be planted across the City's parks, conservation reserves and streetscapes.

The City's Greening Plan 2017 sets out how the City can address the impacts of tree canopy loss across the City. One of the goals is to plant 15,000 trees over five years. Now in the final year there are just 600 trees remaining to reach this target. The remaining 3,600 trees being planted this year are part of our other programs.

The City also receives requests from residents to plant a street tree on the verge adjacent their property. If you would like a street tree please refer to the information on the City's website at [rockingham.wa.gov.au/your-services/services-in-your-street/trees](http://rockingham.wa.gov.au/your-services/services-in-your-street/trees)

Unfortunately the City loses many of its trees each year through tree deaths and necessary removals. The City aims to replace these trees wherever practical to do so, and this year we will be replacing nearly 200 in various streetscapes and reserves.

In addition to the City's planting programs we have received grant funding for greening works. Thanks to support from the Water Corporation and Western Australian Local Government Association, the City will deliver the Urban Forest Canopy Program with a selection of trees that are endemic to each of the approved locations in Baldivis, Port Kennedy and Warnbro.

Mass planting of native tube stock along the road reserves of Nairn Drive, between Blaxland Avenue and Ridge Boulevard in Baldivis, will commence in June to enhance the visual amenity of the area and screen the properties adjacent to Nairn Drive.

Landscaping of the Tamworth Hill Swamp corner of Nairn Drive and Safety Bay Road, and the road medians, will commence in August.

## Plastic Free July

The growing amount of plastic in the sea is causing untold harm to marine life. Improperly discarded plastic products can easily spread within our oceans and are an immediate and local problem. The photo shows some of the plastic pollution collected on our local beaches during the 2019 Seaside Scavenge.

The City has recently joined Plastic Free July, a global movement of people and organisations coming together to end plastic waste. During July, the City will be encouraging its employees and the community to take up the Plastic Free July Challenge. We will also be releasing educational content to demonstrate how you can keep taking steps towards a plastic-free lifestyle.

Here are a few ways to start using less plastic:

- avoid products in plastic, such as bottled water - use a reusable water bottle.
- reduce plastic wrap by switching to reusable products.
- bring your own reusable container when getting takeaway.
- recycle the plastic you cannot avoid.

Plastic Free July provides the perfect opportunity for you to get started on your journey towards helping end plastic waste. Look out for updates on the City's website for what's happening within the City during July.

**Join the Plastic Free July challenge at [plasticfreejuly.org](https://plasticfreejuly.org)**

# Gold Waterwise Council

The Water Corporation and the Department of Water and Environment Regulation have recently endorsed the City as a Gold Waterwise Council for the third consecutive year.

The endorsement recognises the City's commitment to outstanding leadership in water efficiency and management, both in internal operations and in the community.

To achieve re-endorsement, the City was required to undertake an assessment of its progress against the water efficiency goals outlined in the 2016 Water Efficiency Action Plan. Following this review, the 2021 Waterwise Council Action Plan was prepared to establish new water consumption targets, along with a new set of actions designed to help meet these new targets.

This latest action plan will guide works undertaken by the City over the next five years, continuing to build a more water sensitive City.

For more information on how the City is progressing as a Waterwise City please visit [rockingham.wa.gov.au/your-city/sustainability-and-environment/waterwise](https://rockingham.wa.gov.au/your-city/sustainability-and-environment/waterwise)

### Tip

If you are looking for more ways to save water in your home or garden, Water Corporation periodically provides product and service discounts. Visit the Water Corporation's Waterwise webpage to find out what offers are currently available.

## Corella Control Program

Visitors to City Park have noticed that quite a few of the mature pine trees, some almost 20 years old, have been stripped bare. This damage, and lots more throughout the City, has been caused by two species of introduced corellas - the little corella and the Eastern long-billed corella.

The corellas are causing significant destruction of the City's tree canopy and ongoing damage to other public and private assets and infrastructure, creating public health issues through ongoing fouling of public spaces, and putting habitat pressure on the threatened black cockatoos and other birdlife.

The City is implementing a corella control program, under a licence to Take Fauna Causing Damage issued by the Department of Biodiversity, Conservation and Attractions (DBCAs), to reduce the number of these introduced birds to an ecologically sustainable level. No poison is used, and the birds are netted and humanely euthanased in accordance with the DBCA licence.

Culling any wildlife is potentially distressing to some people, but the City has taken this step as a measure of last resort after the non-lethal alternatives used for several years failed to have any impact.

---

## South-Western Snake Necked Turtle Population Monitoring

The South-Western Snake Necked Turtle (*Chelodina oblonga*) is an underwater apex predator that plays a crucial role in maintaining biodiversity in the City's wetlands. The turtles are also beneficial to humans because they help to control nuisance insect populations in urban areas.

In order to assess the health of the City's aquatic ecosystems, in October 2021 the City engaged expert researchers from Murdoch University to continue monitoring the population of these turtles.

The 2021 survey built upon previous surveys by adding seven new wetlands to the original study area. Consistent with previous surveys, the results highlighted a large degree of variability in population abundance across the study area. Adult turtles were also over-represented in captures at 82% of wetlands, providing additional evidence of increased mortality rates amongst juvenile turtles.

If you see a turtle when you are out and about exploring the City's wetlands, please be sure to report the sighting on the TurtleSAT smartphone application or by contacting the City's Coordinator of Sustainability and Environment on **9528 0333**. If you can see the turtle is injured or in distress, contact the Wildcare Helpline on **9528 9055**.

# Community Safety

## SmartWatch

SmartWatch, The City of Rockingham's community safety patrol service, operates from 12pm - 4am every day of the year. With up to six patrol cars on the road at any given time, the service is focussed on visibility and targeted deterrence actions to enhance community safety.

Each SmartWatch vehicle is equipped with four high definition 360-degree view CCTV cameras which are constantly recording. WA Police can access any of the recorded footage remotely at any time.

Residents can contact SmartWatch to report anti-social behaviour, hooning, neighbourhood disturbances, vandalism, graffiti and suspicious behaviour and activity. SmartWatch also takes patrol requests from residents who may be concerned about specific areas, as well as holiday watch patrols for residents who will be away from home due to travel or work for more than one night. Make a booking at [rockingham.wa.gov.au/holidaywatch](http://rockingham.wa.gov.au/holidaywatch) or on **1300 657 123**.

### Note

SmartWatch is **NOT** a police service. For emergencies contact the police on **000**, or **131 444** for non-urgent police attendance.

## Prepare for Storm Season

Every year from May to October, storms, lightning, hail, flash flooding and gale force winds can cause major destruction in the southern half of WA.

Reduce the risk of injury and property damage with these storm preparation tips:

- park boats and vehicles under shelter and away from overhanging branches.
- trim overhanging tree branches and clear your gutters.
- store or weigh down loose objects around the outside of your home such as outdoor furniture and trampolines.
- pack an emergency kit and check the contents regularly (include items such as torch, wind up radio, first aid kit etc.)
- ensure pets are in a safe area.
- ensure your mobile phone is fully charged ahead of any predicted storms in case you lose power.
- boat owners should securely moor their boats or make sure they are protected on land.
- monitor [emergency.wa.gov.au](http://emergency.wa.gov.au) for updates and information.

State Emergency Services can be contacted on **132 500** for urgent property repairs that you cannot fix yourself. Call **000** for life threatening emergencies.

## Get Connected With Community Transport

The Rockingham Connect Community Transport Service is available to City of Rockingham residents who do not have easy access to transport. Eligibility criteria apply.

The service also offers meaningful volunteering opportunities for people with a few hours to spare during the week.

For more information on accessing the service or becoming a volunteer, call **9528 0333** or visit the City's website [rockingham.wa.gov.au/rockinghamconnect](http://rockingham.wa.gov.au/rockinghamconnect)

# World Elder Abuse Awareness Day

Each June, the City marks World Elder Abuse Awareness Day with events and information that highlight the rights of every older Australian.

Elders in our community continue to provide invaluable care and support to their family and friends. Changing property markets and recent impacts to the jobs market have seen many elderly parents choosing to have their adult children move back in to support each other.

It remains important for older parents to remember in these circumstances that they retain their rights to make all decisions related to their physical, emotional, social and financial wellbeing.

Elder Abuse Helpline **1300 724 679**

Email: [rights@advocare.org.au](mailto:rights@advocare.org.au) | website: [advocare.org.au](http://advocare.org.au)

## Pop-Up Community Events

Neighbours Unite is encouraging neighbourhoods to re-connect with a series of Pop-Up Community events. Residents can grab a free cup of coffee, participate in some family-friendly activities and meet others who live nearby.

Keep your eyes peeled for a Pop-Up Community event in a pocket park near you.

Residents can also host a Neighbours Unite activity and be eligible to receive up to \$150 reimbursement for event-related costs.

Remember, community safety starts with you.

Contact [customer@rockingham.wa.gov.au](mailto:customer@rockingham.wa.gov.au) or **9528 0333** for more information.

## How safe is your car?

The City of Rockingham is committed to helping keep residents safe on our roads. Your vehicle has an ANCAP safety rating based on the level of safety it provides to occupants and pedestrians in the event of a crash. The ANCAP rating also tests the vehicle's ability, through technology, to avoid or minimise the effects of a crash. Find out your vehicle's safety rating: [ancap.com.au](http://ancap.com.au)

# Homelessness Week 1 - 7 August 2022

Every night in Australia, 116,000 people experience some form of homelessness, from sleeping rough, to couch surfing or living in unstable accommodation situations.

The Rockingham Kwinana Homelessness Interagency Group has members from many local services and charitable groups who work tirelessly to support families and individuals who may not know where they will spend the next night. Many of these groups rely on the generosity of the local community to support their work.

If you would like to show your support, donations of non-perishable food within the best-before date, personal hygiene and sanitary items, and money would be greatly appreciated. Please contact or visit any of the groups below to organise your donation.

## Thinking About Spring?

It may be winter, but the City's destination marketing campaign is looking ahead to the warmer weather with a feature in the popular *Holidays With Kids* magazine. In the June edition our three page editorial and full page ad in the print and digital versions will reach more than 340,000 people across the country. This feature, the City's first interstate marketing activity in some time, is centred around our coastal attractions to capture the eye of potential visitors planning their spring and summer holidays, and entice them to Rockingham to Rediscover Family Time. Rediscover Rockingham.
