Ballot paper name	BUCHANAN, Craig
Candidate name	Craig Robert BUCHANAN
District	City of Rockingham
Nominating for	Councillor for Rockingham/Safety Bay Ward
Election type	Ordinary
Enrolment status	BUCHANAN, Craig is eligible to stand for election as a resident of the City of Rockingham.

It has been my privilege to have served on the Council for the past four years, and during that time I have been one of the strongest, most consistent advocates for **lower rates, full transparency** in decision making, and a **common sense approach** to the issues of the day. Today I'm asking for your trust and your continued support, to allow me to continue to represent you to the very best of my abilities in this coming term.

I am committed to listening to local residents, and to speaking up on your behalf. I also have a solid track record of keeping the community informed, with monthly videos that explain the items on our agenda, and then the decisions that have been reached.

As in this past term, if elected you have my word that I will fight for the community, for those who are struggling, and for what is right and proper. I will always be available to listen to your concerns, and to champion them to those managing the City's services.

Please **VOTE 1 for Dr Craig Buchanan JP.**
