Ballot paper name	<b>GARNER, Brett</b>
Candidate name	<b>Brett Michael GARNER</b>
District	<b>City of Rockingham</b>
Nominating for	<b>Councillor for Rockingham/Safety Bay Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>GARNER, Brett is eligible to stand for election as a resident of the City of Rockingham.</b>

I've always lived in WA's south west but since 99 Rockingham has been my home.

I finished my education here, then started working here, learn my trade and I have been operating a small business here for 15+yrs, renovating 100s of homes in the Rockingham area and getting to know the Rockingham residents as I renovate their homes.

I met my wife here in Rockingham and we now have 3 children together who attend Rockingham beach primary and Rockingham senior high school.

For just over a year now I have been volunteering at Rockingham's community radio station getting to know a new group of locals and getting more of an understanding of the needs of the locals, along with developing my communication skills and public speaking confidence.

I believe my history with Rockingham and involvement with its residents have made me a good candidate for local government and I look forward to the opportunity to contribute to Rockingham's future.
