I'm Dylan Mbanoo, you may have seen me around Baldivis before! I'm the marketing manager for my family's local small business while I complete my law degree. I spend my spare time volunteering as a **coach for the Baldivis Soccer Club**. I also play for **Baldivis Touch Rugby Association**.

Delivering better local facilities like a **swimming pool** and a common sense approach to waste management such as fighting for **bigger and more frequently collected red bins** are key priorities for me as this would support our rapidly growing region and families.

I'm also fighting for **real action on the cost of living through reasonable rates** that get the balance right for locals. I'll also advocate for easing congestion and fight for **more parking in Baldivis and other places like Warnbro Station!**

I've been advocating for action on the **Mundijong-Kulija and Baldivis Rd intersection** for years, but we can't stop there. There are many other roads in Baldivis that need to be safer.
