Ballot paper name	<b>MIDDLECOAT, Kelly</b>
Candidate name	<b>KELLY MIDDLECOAT</b>
District	<b>City of Rockingham</b>
Nominating for	<b>Councillor for Baldivis Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>MIDDLECOAT, Kelly is eligible to stand for election as a resident of the City of Rockingham.</b>

**I'm a 35 year old Chartered Accountant and have lived in Baldivis/Rockingham all my life.**

I'm an independent, a-political and confident leader who's advocated passionately in Council for lower rate rises and value-for-money spending of our rates for the past few years.

With a strong academic background, significant expertise in accounting/law and a thorough grasp of the City's financial reports, I can contribute a valuable skillset and a wealth of knowledge to Council.

My priorities:

- **Keep rates under wage growth and CPI**
- Bring a motion to **prohibit Councillors from using our rates money to sue residents for defamation**. I oppose this policy that was supported by the Baldivis Councillors in Oct '22 [*pg 85 of the minutes*] who then subsequently supported increasing our rates despite the rising cost of living
- Advocate for **minimum block sizes and green spaces**
- Be a voice for those **experiencing homelessness**

*I'm advocating for a better future not just for my daughter, but your children as well*
