I have been a resident and ratepayer of our City for over 20 years. I am the owner and operator of 2 businesses and the co-founder of the NFP serving Veterans and First Responders, and their families, so the way our money is handled is extremely important to me.

My focus will be on a number of areas, namely, keeping rate increases to an absolute minimum, even freezing them over the next 4 years. I believe we need greater honesty, transparency and financial accountability in our Council. I will advocate for the need to protect our endangered red tail black cockatoos and their green canopy habitat, providing opportunities for the Youth of our City, increasing public safety and providing more opportunities to keep mentally healthy.

I will be putting pressure on the CEO to reduce operating expenditure whilst improving services, so we reduce the enormous rates burden on the ratepayer. This is my commitment to you.
