

Planning Our Future

Strategic Community Plan

A quality lifestyle. A sustainable future. That's the clear message the City has received from the community when developing the new Strategic Community Plan (SCP) 2023-2033.

The SCP guides the City's development over the next decade and has been informed by the feedback of more than 4,600 community members. Every four years the City undertakes a major review of the SCP, and the City now has a comprehensive snapshot of the hopes that local residents have for the City over the next 10 years.

The five key aspirations identified in the SCP are:

1. Social:

A family-friendly, safe and connected community.

2. Natural Environment:

A place of natural beauty where the environment is respected.

3. Built Environment:

A built environment carefully planned for today and tomorrow.

4. Economic:

A vibrant economy creating opportunities.

5. Leadership:

Transparent and accountable leadership and governance.

As we move forward with the new SCP, the City is proud to look back on the long list of achievements that resulted from the previous plan including delivering the Rockingham Beach Foreshore Revitalisation, construction of the Baldivis Sports Complex and Rockingham Youth Centre, as well as several Rediscover Rockingham destination marketing campaigns. Highlights from the past year also include:

ROADS

1,138 km of roads, 56 resurfacing projects, 10 road improvement projects and eight path projects.

SMARTWATCH

577,209 km travelled with 756 requests for attendance.

PARKS

Managing 446 parks and reserves totalling 1,529 hectares.

LIBRARIES

649,426 loans, 282,638 visits and hosted nearly 1,200 events.

ROCKINGHAM YOUTH CENTRE

133 term and school holiday programs, 1,283 hours of activities which were enjoyed by 6,818 young people.
