Introduction

The study

In 2020, the City of Rockingham conducted a Customer Satisfaction Survey to:

- Evaluate communication and engagement with the City
- Measure usage, importance and performance of selected services and facilities

The City of Rockingham designed the questionnaire, then printed and distributed survey invitations to 4,000 randomly selected households; 2,000 by post and 2,000 by email. The online survey was programmed and hosted by the City of Rockingham using the SurveyMonkey platform.

Residents were invited to complete the survey in hard copy or online between 21 October and 20 November 2020.

687 responses were submitted, minimising the sampling error to $\pm 3.7\%$ at the 95% confidence interval.

Online data and hard copy responses were provided to CATALYSE® for data entry, processing and analysis.

An age and gender bias was corrected with weighting to match the general population based on the ABS Census.

Throughout the report, where sub-totals add to $\pm 1\%$ of the parts, this is due to rounding errors to zero decimal places.

	% of respondents (unweighted)	Weighted
Male	50	48
Female	48	49
Answered together	<1	<1

Q. How well does the City deliver the service or facility?
 Base: All respondents who provided a valid response (n = varies).

*No historic data available

Areas in need of improvement

What would you like to see the City focus on improving?

% of respondents

Within the section titled *Communication and engagement with the City*, survey respondents were asked: What would you like to see the City focus on improving?

Community members indicated that they would mostly like the City to focus on improving:

1. Public open spaces
2. Verges, street trees and streetscapes
3. Community safety
4. Parking

A summary of community perceptions, related to challenges and suggested improvements for the top four areas, is provided overleaf.

Q. What would you like to see the City focus on improving?

Base: All respondents, excludes no response (n = 620).

Chart shows responses mentioned spontaneously by 2.5% or more respondents.

Community Challenges

- Insufficient amenities at parks, playgrounds, foreshore and beach areas
- Provision of amenities varies across different parts of the City

Community Driven Actions

1. Provide more amenities e.g. shade, seating, picnic tables, BBQs, lighting, showers, toilets
2. Improve playgrounds and provide facilities for older children and teens
3. Improve amenities and landscaping of foreshore areas
4. Maintain green spaces and gardens
5. Increase the number of dog parks and improve amenities at existing dog parks

Community Voices

“Providing more shade at public parks so families are more sun safe.”

“Outdoor facilities picnic places etc.”

“More benches in the parks, better lighting around ovals and parks.”

“More toilets at parks and enclosed parks for small children.”

“I would also like to upgrades to park facilities in the older parts of Baldivis to match the newer developments (playground equipment, skate park, basketball court etc).”

“Better foreshores other than just the main Rockingham one.”

“The facilities at the Secret Harbour Foreshore.”

“Improving the facilities / development along all the foreshore from Rockingham all the way around to Shoalwater and Safety bay.”

“The BBQ facilities at Safety Bay beach front... also the weeds and ants at the Nettleton reserve.”

“More grassed areas rather than all bush/scrub at Rockingham and Safety Bay beaches. It would be lovely for families, especially the young children.”

“Controlled dog exercise area at City Park and dog waste bins and bags established at the Kybra Mews end of the park.”

“Water fountains in reserves and parks that have dog walking and playground facilities.”

Community Challenges

- Road verges are untidy, overgrown and have too much dead grass and weeds on them
- Not enough street trees in some areas
- Overgrown trees creating road hazards

Community Driven Actions

1. Mow grass, remove weeds and tidy verges
2. Improve watering or provide mulch for verges
3. Encourage residents and owners to maintain the front of their properties
4. Prune overgrown street trees, plant more trees and replace trees that are unattractive or create a lot of debris

Community Voices

“Verge and median strip clean up.”

“Maintaining long grass weeds on verges and open areas.”

“Streetscapes / landscaping. The road islands and street verges need more watering / mowing and or plants. Especially in summer, the brown dead grass is a real let down.”

“Verge cleanups, free mulch to provide water saving on properties, pathways to the wider river gums area.”

“Verge beautification along main roads and ensuring people keep their verges clean and clear of grass, debris etc.”

“I would like to see some action on getting house owners to clean up neglected front yards & verges as it makes an area look neglected & down at heel...affecting all properties in the area.”

“Poor vision at intersections due to overgrown trees shrubs.”

“Verge tree trimming, the tree on our verge is on a bend and creates a blind spot.”

“More attention to streetscaping within residential areas. Specifically, with the regular pruning of council trees and unimproved land areas.”

“Planting more trees but less deciduous leaf droppers.”

“Verge maintenance and replanting trees where existing trees are very unattractive to the area.”

Community Challenges

- Crime, including theft and burglaries
- Concerns about safety and antisocial behaviour issues in public places

Community Driven Actions

1. Advocate for increased Police presence and enforcement around crime and antisocial behaviour
2. Provide security patrols, CCTV and improved lighting in public places
3. Engage with youth to address behavioural issues
4. Homelessness advocacy

Community Voices

“Security/safety in public places.”

“Safety around public areas e.g. beach carparks.”

“Antisocial behaviour and the homeless people situation.”

“Crime prevention and homelessness.”

“Crime... Moving on undesirables hanging out in front of shopping centres.”

“Petty crime. Youngsters messing around houses.”

“Crime and youth engagement.”

“Suburb safety regarding burglaries.”

“House burglary and break-ins, prowlers.”

“Crime, neighbourhood patrols at night.”

“Appropriate lighting in residential areas and security. The current street lighting in certain parts of the city is inadequate. Gives criminals free access to carry out their crime.”

“More surveillance cameras due to recent break ins in the local area and neighbouring area. More police in our city.”

“A police station in Baldivis.”

“More police at night times patrolling the streets.”

Community Challenges

- Insufficient parking at the foreshore which makes it difficult for people to visit the area
- Insufficient parking near shopping areas, medical services, parks and schools

Community Driven Actions

1. Build more car parks at the foreshore and allow parking for longer periods of time
2. Provide more parking throughout the City, including ACROD bays
3. Be more lenient in general enforcement of parking
4. Target parking infringements where they cause the most disruption

Community Voices

“Car parking on Rockingham Foreshore. Locals cannot find parking at busy times. In summer Rockingham will not be able to cope with the current parking facilities.”

“Longer parking hours down at our foreshore.”

“Improving parking at the lovely new foreshore. Specially for the elderly.”

“Multiple level carparking in Rockingham beach so families can actually utilise the beach front.”

“Extra parking at foreshore and in that area e.g. markets and café strip at weekends especially.”

“The public parking at Baldivis square is an absolute joke, because of the school there are times you can't park for the doctor or to even grab some groceries.”

“More ACROD parking at local shopping centres.”

“More disabled parking bays on foreshore in particular.”

“Parking requirements within the city in residential areas being ranger free.”

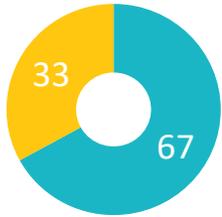

“Less parking restrictions around City buildings - (the new ones).”

“More Patrols in Baldivis by Rangers especially during school pick up / drop off times due to poor / dangerous parking.”
