

Native Plants Giveaway

The City's annual Native Plants Giveaway is back. Help build a waterwise community and create habitat for wildlife in your backyard.

Rockingham residents are eligible to collect ten free native, waterwise tubestock seedlings per household. All you need is proof of address (such as a recent bill with your address or driver's licence) to verify residency.

Please bring a bag or box to transport your free plants.

While the event is first come, first served we kindly ask that you arrive no earlier than 7am to ensure everything runs smoothly.

7am – 12pm
Sunday 3 May

Entry via Dowling Street,
Dixon Road Reserve

rockingham.wa.gov.au

where the coast comes to life

What to expect in your seedling pack?

Each ten pack is slightly different, but will contain a mix of groundcovers, small shrubs and clumping plants.

In 2026, we're launching a smaller bundle of five firewise plants, that are also native and waterwise, perfect for building a climate resilient garden. Examples of plant species included below:

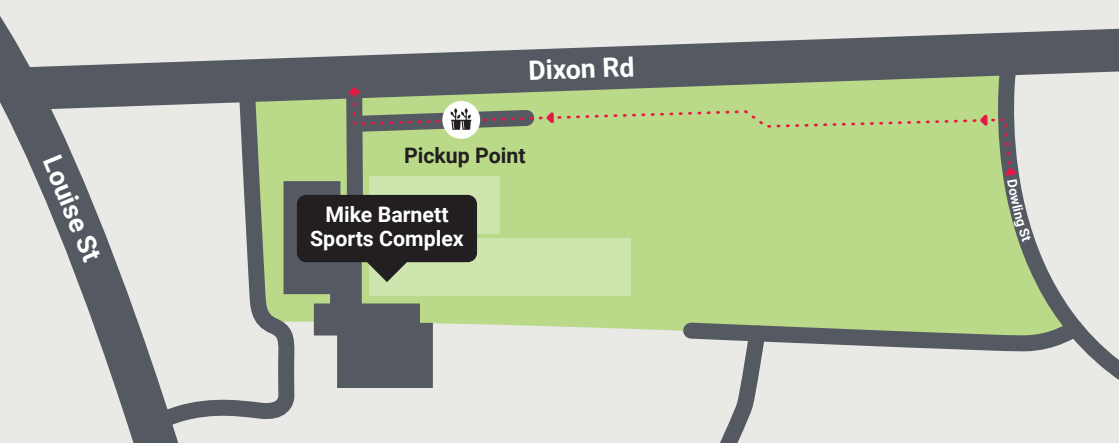

"I'm
Firewise!"

Coastal Daisy Bush
Olearia axillaris

"I'm
Waterwise!"

Native Wisteria
Hardenbergia comptoniana
