

Terms and Conditions

The following terms and conditions apply to the submission of projects for all four categories of the Green Award 2023/2024.

1. You may only enter one (1) submission for consideration under any of the four categories. The City of Rockingham may request additional information at any time.
2. The Green Award is only open to projects which have been completed in the **2023/2024** financial year.
3. The Green Award is only available to local businesses, community groups, schools and individuals located within the City of Rockingham's Local Government Area. The Local Businesses category includes a separate Small business category. Please indicate in your submission whether your business falls under this definition of small business: employers with fewer than 15 employees.
4. All nominations will be reviewed by the City's Environmental Advisory Committee (EAC) which is made up of independent Councillors and community members to determine a winner based on the outlined selection criteria.
5. The City of Rockingham will notify nominees of the outcome of their entry via email following a decision by the EAC. The EAC's decision for inclusion of entries is final and no post-decision appeal (including correspondence or discussion) will be considered.
6. Photography of winners will be used to promote the Green Award and will be included in social media campaigns.
7. Self-nominations are encouraged. If a member of the public wishes to nominate a local business, community group, school and/or individual, please contact the City or forward the nomination form to be completed by the project creator.
8. All communications from the City to nominees will be sent via email or phone.
9. City of Rockingham employees and previous award winners are ineligible.
10. Submissions lodged after the closure date will not be considered.

For all enquiries, please contact the **City's Sustainability Officer** on 9528 0333 or customer@rockingham.wa.gov.au.
