Stay Connected

- ▶ Stay in touch with family, friends and neighbours.
- ▶ Stay connected with the community via a virtual space, or in person by being part of a club, association, group or volunteering.
- ▶ Set up a communication group for your street through Facebook or Whatsapp.
- ▶ Check in on your neighbours, particularly if they live alone or are at higher risk to the impacts of an emergency.

Get Packing

Having an emergency kit is an important step in being emergency ready.

A prepared kit will save you valuable time.

Remember to check your kit regularly and replace any out of date items. Below is a list of suggested items you may want to include in your kit:

Torch (with batteries stored separately)

Water

Non perishable food

USB with scanned documents (passport, wills, drivers licence, photos of valuable items etc)

Pet food and supplies

Baby food and supplies

Toiletries and prescription medication (a weeks supply)

Radio (battery powered or wind-up)

Spare clothes

First Aid Kit

Wallet, phone and charger

Fire Danger Rating

The Fire Danger Rating describes the potential level of danger should a bushfire start.

The ratings indicate the level of threat and what you need to do to stay safe. On days of minimal risk, 'No Rating' will be issued.

- Plan and prepare
- Be ready to act
- Take action now to protect life and property
- For your survival leave bushfire risk areas

The City of Rockingham has five electronic Fire Danger Rating boards at the below locations:

- ▶ Patterson Road
- ▶ Mundijong Road
- ▶ Mandurah Road
- ▶ Safety Bay Road
- ▶ Kulija Road

Check the daily Fire Danger Rating at emergency.wa.gov.au or bom.gov.au

Total Fire Ban

Total fire bans are declared on days of extreme weather or when firefighting resources are stretched.

A total fire ban is declared the evening before it is due to take effect.

Check emergency.wa.gov.au after 6pm to see if a ban has been declared for the next day.

During a Total Fire Ban you cannot:

- ▶ Light, maintain or use a fire (even while camping).
- ▶ Burn leaves, garden waste or grass cuttings.
- ▶ Use an incinerator.
- ▶ Grind, weld, solder, gas cut or use other type of 'hot work' in the open air.
- ▶ Use fireworks.
- ▶ Use a BBQ that uses solid fuel (wood, charcoal or heat beads).
- ▶ Use an outdoor wood-fired pizza or stove.

GET READY ROCKINGHAM

BE AWARE BE PREPARED

Australian Warning System

There are three levels of warnings. These change to show the increase in risk to life and property. They will assist you to make the decision of when to leave.

Emergency Warning
 You are in danger and need to take immediate action to survive. There is a threat to lives and homes. Sometimes emergencies can occur very quickly, as you may not get a warning. Stay aware and act according to your personal circumstances.

Watch and Act
 There is a possible threat to lives or homes. You need to leave or get ready to defend, do not wait and see.

Advice
 A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.

Prepare your Property

Give your property the best chance against a bushfire, by using this checklist. Set reminders to do these jobs on a regular basis.

Landowners have a legal responsibility to comply and maintain their land according to the City's Fire Control Notice. You can find the Fire Control Notice at rockingham.wa.gov/firecontrol

- Where appropriate cut the grass around your property to 50 mm or less.
- Where appropriate prune shrubs so they are not overhanging your buildings.
- Clean gutters.

Give your property the best chance against a bushfire, by using this checklist. Set reminders to do these jobs on a regular basis.

Landowners have a legal responsibility to comply and maintain their land according to the City's Fire Control Notice. You can find the Fire Control Notice at rockingham.wa.gov/firecontrol

- Remove any shrubs from against the home.
- Keep gas cylinders away from likely direction of fire (i.e. where bush is) and turn release valves outwards.
- Remove wood, mulch or any flammable material against or near the house.
- Create a minimum 2 m gap between your house and tree branches.
- Install metal fly wire mesh on all windows, vents and install a protective screen on evaporative air conditioners.
- Block any gaps under floor, in the roof spaces, under eaves, external vents, skylights, chimneys and wall claddings.
- Install a fire or heat radiant shield such as a solid fence.
- Make sure fire trucks can access and turn on your property.
- Check bridge loading and cattle grid loading for fire truck access.
- Store petrol and gas safely away in a shed.
- Install underground water pumps that lead from dams to the house.
- If fire threatens, move livestock to a well grazed paddock.
- Create a mineral earth firebreak along the boundary of your property.

Burning Guidelines

Camping, Heating and Cooking

Solid fuel devices such as fire pits, hangis, chimineas, barbecues and pizza ovens are allowed in the following conditions:

- ▶ When there is no declared Total Fire Ban.
- ▶ When there is no declared Total Fire Ban (see the fire danger rating section on the reverse of this leaflet).
- ▶ A 2 m clearance in radius has been established, clear of all bush and flammable material.
- ▶ Where smoke is controlled so as not to be a nuisance.
- ▶ Enclosed gas fired devices are exempt and are allowed at any time.
- ▶ Fires are not allowed on any City of Rockingham beaches at any time.

Important Dates

By law, all properties need to be compliant in accordance with the City's Fire Control Notice.

Penalties apply for non compliance.
