

Safety Around Schools

Signs and lines are in place to ensure the safety of students, parents and staff.

Always

-  Observe parking restrictions (read the signs).
-  Continue with the traffic flow of designated set down zones.
-  Be aware of children.
-  Walk or cycle to and from school as an alternative.
-  Use the crosswalk services at all times.

Ranger Services patrol around our schools. Park responsibly to avoid an infringement.

Do not

-  Block driveways.
-  Park in bus zones.
-  Park or leave your vehicle unattended in "kiss and drive" set down zones.
-  Park on footpaths or verges.
-  Get frustrated.
-  Ignore 40 km/ hr speed limits around school.
-  Ignore parking signs.

School road safety is everyone's responsibility - stay aware and do the right thing.
