Parking against the flow of traffic is illegal.

Leaving vehicles in a public space (including car parks) for a period exceeding 24 hours is an offence.

Disability parking (ACROD) bays are solely for people with a valid permit.

Parking restrictions must be followed.

Loading zones are restricted parking areas and are set aside to be utilised by commercial or trade vehicles to deliver or pick up goods. The only exception to this rule is a vehicle actively engaged in picking up or dropping off passengers. The vehicle must not remain in that zone.

Emergency vehicle bays are for emergency vehicles only.

Please remember to lock your vehicle and remove all valuables.
