

RECYCLING BIN

The yellow-lidded bin is emptied fortnightly, on the alternative fortnight to the green-lidded bin. The recyclables are sorted at the Veolia Bibra Lake Material Recovery Facility.

Place clean recyclables loosely into the recycling bin, not bagged. Remove lids from bottles and containers and flatten boxes.

Aluminium cans, coffee or Milo tins, balled aluminium foil

Steel cans and tins, beer bottle tops and steel lids

Paper (not shredded), magazines, newspapers, junk mail, flattened cardboard boxes, egg cartons

Plastic bottles
(lids removed and rinsed)

Plastic containers
e.g. yoghurt, ice cream or margarine containers

Glass jars and bottles
(lids removed and rinsed)

Please do not put: soft scrunchable plastics or plastic bags, aerosols, meat trays, polystyrene, UHT silver lined milk or juice containers, tissues and paper towel, nappies, clothing and shoes, toys or electronics in this bin.

GREEN WASTE BIN

The green-lidded bin is emptied fortnightly and the waste is processed into compost at the Veolia North Bannister Resource Recovery Park.

Please place garden waste items loosely into the bin, not bagged, boxed or tied with string.

Small prunings
(maximum 400 mm length length by 200 mm diameter)

Lawn clippings

Sticks and twigs

Leaves and flowers

Weeds

Please do not put: food or general waste, glass or plastic, animal waste or kitty litter, sand, rocks or building material, plant pots, tools, hoses or other garden equipment, or large logs into this bin.

WASTE BIN

The red-lidded bin is emptied weekly and the waste is disposed of at the Millar Road Landfill Facility, Baldivis.

General household waste, food scraps and meat trays

Nappies, tissues and paper towel, and other personal hygiene items (no sharps)

Soft plastics
e.g. bread bags, frozen veggie packets, clin film and plastics bags

Animal litter or droppings

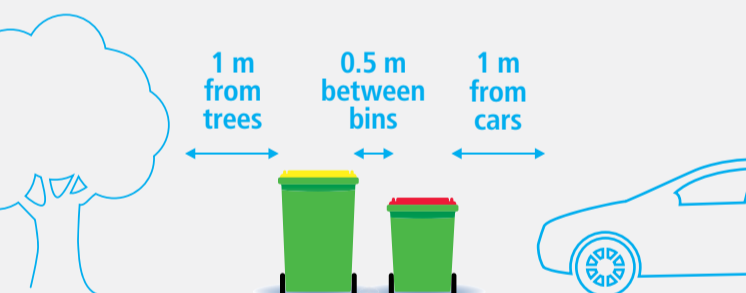

Clothing, rags and textiles

Broken toys and ceramics

Hazardous household waste items do not belong in any of the bins.

- ✗ NO liquids or oils
- ✗ NO hot ashes (to avoid fires)
- ✗ NO construction, demolition or building materials (no bricks, sand, soil, concrete, rocks or asbestos)
- ✗ NO medical waste or needles
- ✗ NO batteries
- ✗ NO hazardous household waste (petrol, flammable liquids, paints, motor oils, fluids, garden chemicals, poisons, pool chemicals, cleaners, acids, bleaches, ammonia, medicines or gas cylinders).

WHERE TO PUT YOUR BIN?..

..AND DON'T FORGET

Place on kerb by 6am on collection day.

Keep the weight of the bin under 70 kg.

Avoid overfilling to ensure the lid can close.

OTHER HANDY HINTS

There are no changes to bin collection days for all public holidays.

- place bins on the kerb with wheels facing the house
- keep one metre distance from objects such as trees, fences, cars and light poles
- please do not park cars next to bins in lane ways on bin collection day
- return bins to your property as soon as possible
- store bins in a shaded area
- rubbish must be free flowing, do not jam waste into your bin
- lids must be closed
- wrap all moist and perishable foods in newspaper before placing into your red-lidded waste bin
- clean bins regularly.

More Information

General junk too good to be landfilled?

Mattresses, metal items and fridges are recycled if they are separated from the general waste on the verge. All of the other general waste will be landfilled. If an item you have placed out is too good to be wasted, consider donating it to charity.

Non-conforming waste

Residents can take their non-conforming waste to the Millar Road Landfill Facility, open seven days from 7.30am - 4pm (closed Christmas Day and Good Friday). Fees payable by tip pass, cash or EFTPOS. Metals and recyclable items can be dropped off for free.

For further information please contact Waste Services on 9528 0333.

Important

Waste left behind after the collection has passed is your responsibility and must be removed from your verge within seven days or enforcement action maybe taken.

E-waste

The City's E-waste program is supported by a grant through the Department of Jobs, Tourism, Science and Innovation.

Residents are encouraged to place E-waste (**including TVs, Blu-ray/DVD players, computers and peripherals, etc**) in a separate pile for collection and recycling.

Residents are also able to drop E-waste at the Millar Road Landfill Facility free of charge.

Proudly supported through the New Industries Fund

Millar Road Landfill Facility

Millar Road West, Baldivis

Open seven days, from 7.30am - 4pm (closed Good Friday and Christmas Day)

Payment by tip pass, cash or EFTPOS

A number of items are free of charge to drop off for recycling and include (but not limited to):

- all scrap metal, including fridges, washing machines and microwaves
- cardboard
- gas bottles, domestic only (under 10 kg only)
- car batteries
- engine oil (maximum of 20 L per person per day)
- hazardous household waste (maximum of 20 L or 20 kgs per item)
- E-waste recycling (residential quantities only)
- red fire extinguishers only
- other reusable items may be accepted at the discretion of City officers.

Please separate items from general waste in the load before entering site otherwise fees may apply.

Shopping at the Recycle Yard

The Reuse Shop is open from 7.30am - 4pm on Wednesday, Saturday, Sunday and public holidays (closed Good Friday and Christmas Day).

A number of items, from building materials to bric-a-brac, are available for sale in the recycling yard of the Millar Road Landfill.

Any member of the public is welcome to take a look. Enter site through the weighbridge car lane, and park in the limestone carpark. Items can be paid for by cash or EFTPOS.

Shredded Green Waste

Prunings brought to the landfill are shredded onsite and offered free to the public for their gardens (when available). People are required to load their own trailers.
