Verge Collection Do's and Don'ts

PLEASE:

- ✓ Place waste neatly on your own verge no more than two days prior to your scheduled collection date.
- ✓ Place waste collected separately (fridges, other metals, e-waste and mattresses) in separate piles from your other waste.
- ✓ Place on your own verge by Monday 6am on your scheduled start date for your area as the contractor will only check the verge once.
- ✓ Allow seven working days for collection.
- ✓ Keep on checking your pile as it is your responsibility throughout the collection.

PLEASE DON'T:

- ✗ Obstruct the footpath, your bin service or the line of sight of pedestrians, cyclists and cars.
- ✗ Place waste too close to fences, trees, cars, power domes, or other objects that may get damaged when waste is collected.
- ✗ Place your waste inside your property line.
- ✗ Place your waste on any other verge as it **will not** be collected from vacant land and public reserves.
- ✗ Place out **more than the allowed volume.**

Verge waste is collected from your verge with machinery which can damage artificial turf.
