

Information Sheet

Please note, the following applies only to landfill levy exempt wrapped or bagged asbestos and does not apply to commercial quantities of unwrapped asbestos or asbestos impacted soils (which do incur the landfill levy of \$70 per tonne); please contact the Millar Road Landfill Facility directly to discuss disposal and associated costs for unwrapped asbestos, also refer to the final listed point below.

Wrapped or bagged asbestos will only be accepted at the Millar Road Landfill under the following conditions of entry:

- All asbestos must be **double wrapped in heavy duty plastic and sealed with tape**, and must remain wrapped when unloaded. A minimum standard of 0.2mm polyethylene plastic is required for wrapping. Minimum tape requirements are industrial tape with minimum width of 30mm, (e.g. gaffer tape). Cello, electrical or paper packing tapes are unacceptable.
- **Asbestos must be hand unloaded** – therefore in bundles that 1 or 2 persons can comfortably lift. Unloading is the responsibility of the customer. Do not purposely break the asbestos sheets to fit into bundles. The lining of bins or truck bodies is not acceptable.
- Millar Road Landfill does not have unloading facilities.
- **24 hours' notice** must be given to City's Waste Service department prior to disposal on 9528 0333 (call during office hours Monday to Friday 8am – 4.30pm to book). Online bookings can be made via the City's website via the [online booking form](#).
- Asbestos is only accepted between the following times:
Monday to Sunday 7:30am – 3.00pm (not between 12 - 1pm)
Disposal outside of these hours is negotiable.
- Cars and trailers may dispose of up to 1.5 cubic metres of asbestos with a City of Rockingham tip pass or on payment of the standard Transfer Station entry fee (\$75.00 minimum for car, utility, van or trailers). Trailers carrying more than 1.5 cubic metres of asbestos will incur higher entry fees.
- Commercial loads will be charged at \$140.00 per tonne (inc GST) plus \$98.00 burial fee per vehicle entry. The minimum charge over the Weighbridge is 0.5 tonne and the burial fee.
- All asbestos contaminated soil **must be pre-approved** and meet all Class III waste criteria. Call 9528 8550 for more information.

Prices are valid from 1 July 2021 until 30 June 2022 and may be subject to change.

For more information or to book disposal please contact Waste Services on 9528 0333 (office hours Monday to Friday 8am – 4.30pm). Weekend and public holidays please contact the Landfill direct on 9528 8550 (8am – 4.30pm).
