

Recycling A-Z

Learn how to recycle in the City of Rockingham and maximise material recovery.

Yellow lidded recycling bin

Remember to remove lids from bottles, flatten boxes, clean and dry items before placing them loosely in your recycling bin. Scrunchable soft plastics cannot be recycled and should be placed in your red lidded waste bin.

Aluminium cans, coffee or Milo tins, balled aluminium foil

Steel cans, tins and lids

Paper (not shredded), magazines, newspapers, junk mail, flattened cardboard boxes and egg cartons

Plastic bottles

Plastic containers e.g. yoghurt, ice cream or margarine containers

Glass jars and bottles (lids removed and rinsed)

Millar Road Landfill and Recycling Facility

Not all recyclables can be placed in the recycling bin due to safety concerns. Drop the following items off to **Millar Road Landfill and Recycling Facility**:

Batteries including dry cell batteries, lithium batteries

Aerosols, flares, smoke detectors and red fire extinguishers

Household chemicals including cleaning, pool and garden chemicals

Other hazardous items including fluoro light fittings and tubes, solvents and pesticides

Old decorative and architectural paint

Metal aluminium cans, coffee or Milo tins and balled aluminium foil
