I've lived in Rockingham since 1991 and ownerbuilt my home here in 1999. Since 2008 I have attended many Council meetings and asked questions to try to get Councillors and Officers to focus on the big questions affecting our welfare and our children's future. As your councillor I will work for 1. How best to care for our environment especially Cockburn Sound. 2. How to ensure value for money from our rates. 3. How Council can best respond to the informed wishes of the local community. 4 . How to ensure that AUKUS respects the welfare of residents.

As convenor of Friends of Point Peron I do my best to restore Cape Peron and ensure that decision-makers and the public respect what remains of our local bush and wildlife.
