

Additional Information

I am a 39-year-old married mum of four, living in Secret Harbour.

I care deeply about our community and am standing for Council because I believe strong communities are built by people who are willing to step forward, serve and commit. I want to help shape a City that delivers the best outcomes for current and future residents.

I have been intentional about preparing for the responsibilities of Council by regularly attending Council meetings, completing leadership and public sector training, and being selected for the 2026 UWA Pathways to Politics Program for Women, an intensive leadership program focused on policy development, stakeholder and community engagement.

I served as Interim Treasurer and President of the Rockingham Country Women's Association Branch for three years, leading volunteers and supporting initiatives that strengthened community connections. I currently serve on the Warnbro Family and Community Centre Committee and am a member of the Secret Harbour Town Team. In 2026, I was honoured to be named a finalist in the City of Rockingham Volunteer Recognition Awards Act Belong Commit Category.

If elected, I will be an approachable, prepared and accountable councillor who listens respectfully, considers all viewpoints and makes informed decisions in the best interests of our community. I am ready to serve with humility, respect and a genuine commitment to listening, learning and working alongside our community to help make the City of Rockingham an even better place to live.

I am incredibly grateful to live in a City that my family is proud to call home. I believe we all have a responsibility to contribute in whatever way we can, and for me that means putting my experience, skills and commitment to continuous learning into the service of others. If elected, I will work tirelessly to help make the City of Rockingham the very best place it can be for current and future generations.
