SMITH, Elaine

SMITH, Elaine is eligible to stand for election as a resident of the City of Rockingham.

I am a 39-year-old wife and mum of four. I am guided by values of service, integrity, community and excellence, I've dedicated the past 12 years to volunteering including with SES, and the Country Women's Association.

I am standing for Council because I want to help shape a City that delivers the best outcomes for current and future residents.

My professional experience in events and communications combined with volunteer leadership has provided me with practical experience in governance, strategic planning and working collaboratively to achieve positive outcomes.

I believe good councillors should be prepared, approachable and accountable. I've been preparing for the role of Council by regularly attending Council meetings and undertaking leadership and public sector training. I am committed to listening, considering all viewpoints and working collaboratively and respectfully with fellow councillors and staff to achieve the best outcomes for our community.
