"the studio" at Rockingham Library is a space designed to enable the community to explore, share, and play with a range of new tech.

### 3D Printing

Print your own 3D design with our 3D printer. Participants must attend our introductory 3D printing workshop covering the basics prior to using the machine.

---

### Music Studio

Enjoy composing, recording and editing music from "The Pod".

---

### Pick Up and Play

Bring your friends and game the day away with our game of the month.

### Podcasting

Create high-quality interviews, podcasts and recordings with the RodeCaster Pro – a fully integrated, easy to use podcast production studio.

---

### VR Discovery

A hands-on, interactive session which everyone can get involved with.

Bookings are essential.

# ARMCHAIR Travel

From the comfort of an armchair, travel with us around the world through the use of Virtual Reality thanks to SilVR.

Each session will start with a 20 minute introduction video that each new participant must watch once, followed by a guided tour of a selected location from around the world.

A new location will be selected every month and each session will finish with a cup of tea related to the chosen location.

**So stop dreaming, and start traveling from the comfort of your local library.**

For more information, please visit [rockinghamlibraries.com.au](http://rockinghamlibraries.com.au) or contact your local library. **Bookings essential.** Adults 18+
