

Foreshore Celebration **Recycled Lantern Workshops**

The City will be hosting a Community Lantern Parade as part of the Rockingham Foreshore Celebration on Saturday 26 October 2019. The lantern parade will take place at Churchill Park, Rockingham Foreshore from 7.30pm.

Community members have the opportunity to be part of the celebratory parade by attending one of the City's **free** Lantern Workshops. Lanterns will be made from recycled materials to signify the importance of recycling in the City and along our beaches.
